Ali's bedroom

I have both a brother and a sister and we all have our own rooms. I love my bedroom because it is at the (EXAMPLE) back of the house, so it is very quiet. I sleep in a 1. _____ bed that is really high. If I am on my bed, I can see out of the window into our beautiful garden. It is a great view. Sometimes, I sit up there 2. _____ I am reading or listening to music, and none of my family know that I am in my room.

I always do my homework at my 3. _____ and I sometimes do drawing there, too. I like to put some of my pictures on my walls. My pictures are some of my favourite things, and I 4. _____ keep them forever.

I also really like the 5. _____ that my dad gave me for my wall. I got it the first year I started school. He said that it 6. _____ help me to remember important events if I put notes on it.

Another thing that I love about my bedroom is the colour of the walls. They are light green, which is a very relaxing colour. I love my room because it is 7. _____ and I try to keep it tidy.
