

1) Read the text and answer TRUE or FALSE.

Hello, my name is **Simon** and I am nine years old. I am from Australia and I live with my family: my mum Sara, my sister Anna and my brother Tim.

My favourite colour is light blue and my favourite food is chips. I like pasta but I don't like tomatoes. My lucky number is thirteen and my birthday is in July.

I have a cat pet. He is Oliver and he is brown.

I love going to school. I always go to school with my best friend James. He is nine and he likes football. We play football together. I am tall and thin and I have red hair. My backpack is blue and my pencil case is green.

My favourite season is summer because I can swim and ride my bike with my friends. My house is big. My favourite room is the living room because I can watch TV and play the guitar there.
