

WRITING

- 3 Look at the image. Fill in the blanks in each annotation with a word or phrase from the box.

street • shapes • it was taken
silver • this is a photo of • cars • sunlight

Writing Tip

When writing annotations for photos or images, remember to use phrases like *This is a photo of...* or *It was taken...* to introduce the image and direct the reader's attention.

..... a New York City street.
There are repeating rectangular
on all the windows of each building. I walk
down this to get to the .
..... Manhattan Bridge in the
background.

..... during the day because
we can see reflected on
the and on the street.
