

SYECH ABDUL MANAN INDRAMAYU ISLAMIC CENTER MOSQUE

Indramayu has new attractive religious tourism potential to be visited. It is Syech Abdul Manan Indramayu Islamic Center Mosque. The mosque was just inaugurated on Friday, 1 June 2018 or coincided with the night of 17 Ramadan 1439 by The Governor Ahmad Heryawan. The mosque is attractive enough because it has four towers that rise high with a crescent ornament at the top. While there are three domes with one dome being the main dome and two domes placed on the right and left of the main dome in white.

This mosque has an attractive garden which is equipped with various ornamental plants in various colors, and planted with palm trees which are expected to become shrubs after height. In the middle there is a fountain pool, the water will form like a ball and will be attractive at night because there are colorful lights so it is very suitable to capture the mosque by using a cell phone or digital camera. On the other side, large parking spaces for motorized vehicles are available with the hope that visitors of the Abdul Manan Islamic Center Mosque will be able to pray comfortably at this mosque. This parking accommodates small to large sized buses.

This mosque has an interesting design because in front of the main building there is a fairly large synthesis field that can be used for various activities such as additional locations for Tarawih prayers or Friday prayers. Moreover, this field can be used for learning outside of classroom for students as the visitors, and can also be used to relax the worshipers or visitors after looking at this mosque.

This mosque is equipped with a place of ablution and a separated bathroom between men and women. The interior is equipped with various attractive gold-painted ornaments with pulpits for high sermons. In addition it is also equipped with air conditioning so that worshipers who do worship in this place will feel special and comfortable. What a great worship place.
