## WHAT WILL HAPPEN **IN THE FUTURE?**

Science fiction films often look at the future and here are some of the ideas about the future of the Earth.

There <sup>1</sup> will be a terrible natural disaster.

Storms <sup>2</sup> \_\_\_\_\_ cities like

New York and the Statue of Liberty

<sup>3</sup> \_\_\_\_\_ under the ocean.

We <sup>4</sup> \_\_\_\_\_ in modern

houses, we <sup>5</sup> \_\_\_\_\_ flying

cars and we <sup>6</sup> \_\_\_\_\_ to the

moon for our holidays!

Aliens <sup>7</sup> \_\_\_\_\_ the Earth.

They <sup>8</sup> \_\_\_\_\_ stronger

and more intelligent than us but they

<sup>9</sup> \_\_\_\_\_ us all. We

<sup>10</sup> \_\_\_\_\_ in the end and they

<sup>11</sup> \_\_\_\_\_ to their planet.

Robots <sup>12</sup> \_\_\_\_\_ intelligent.

They <sup>13</sup> \_\_\_\_\_ to us and they

<sup>14</sup> \_\_\_\_\_ to rule the world!

So what do you think? What will the world be like in the future? Send us your ideas today.
