

# Education

## 1. Match each word with its meaning.

- |               |   |
|---------------|---|
| a. Master's   | • A mark, usually 1-10, that represents the quality of your work. |
| b. Grade      | • A period of 3/4 months.   |
| c. Term       | • A task or piece of work.  |
| d. Assessment | • A postgraduate degree.  |
| e. Assignment | • A teacher's evaluation of his/her students.                     |

## 2. Fill in the blanks with the correct words.

- At school, students have different \_\_\_\_\_ or areas of study, such as Language, Math and Art, between others.
- Many people decide to study \_\_\_\_\_ once they finish school; they want to get in contact with new cultures.
- Can I \_\_\_\_\_ for this exam in case I fail?
- Some children attend \_\_\_\_\_ schools and only come back home at the weekend.
- \_\_\_\_\_ are similar to classes, but students don't participate so much. They're similar to talks.
- If you don't do so well at a specific subject, you can take some \_\_\_\_\_ to have extra practice.

## 3. Drag each course of studies into the correct gap. There are three extra subjects.

CHEMISTRY   DRAMA   PSYCHOLOGY   POLITICS   PASTRY  
 ARCHITECTURE   LAW   JOURNALISM   EDUCATION   NURSING
