1 Read the text quickly and find Elaine in the picture.

Hi, my name's Elaine and this is my family. I've got one brother. His name is Josh. He's eleven. He's quite annoying and silly. His bedroom is very untidy. His clothes are on the floor and there are books and DVDs on his bed. I haven't got a sister, but I've got a cousin, Donna. She's fourteen, like me, and she's an only child. Luckily, her house is in the street behind our street. We are in the same class at school. She's my best friend.

My dad's name's Ken and his fiftieth birthday is in November. My mum's name is Sylvia. Mum and I have got blonde hair and blue eyes. Dad and Josh have got dark hair and green eyes.

In this photo, we're in Donna's garden with my uncle and aunt, Donna's parents. Donna's mum is cool. Her name's Jemima and she's my mum's sister. She's forty-two and my mum is forty-five.
