

Geography

How good are you at Geography?

Drag and drop the words under the correct picture.

island city mountain mountain range direction sea
river lake continent country desert ocean

The North

Africa

Syria

Thessaloniki

The Amazon

Loch Ness

The Mediterranean

The Atlantic

The Sahara

The Himalayas

Everest

Crete

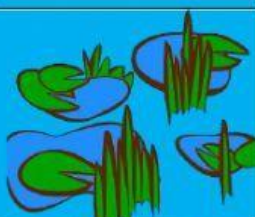

Great! Let's find out more about articles and geography.

Articles and Geography

We sometimes use **the** or **no article** at all. Study the table with me.

the

-

rivers seas oceans The Amazon The Atlantic ocean		cities Thessaloniki Tehran	
unions of countries The UK The USA		one country Greece Syria Iran Italy China	
a group of islands The Cyclades		one island Crete Hawaii	
mountain range The Himalayas		one mountain Everest	
a group of lakes The Great lakes		one lake Lock Ness Lake Baikal	
deserts The Sahara desert		continents Africa Europe Asia Australia	

Now practise with me and become an expert!

Drag and drop the words into the right article.

lake island city country continent river sea
ocean desert mountain range group of lakes
mountain union of countries group of islands
