Sam is twelve years old. Every morning, when he gets up, he listens to music on his MP3 Player. He uses headphones. He has breakfast then he goes to school on the bus. On the bus, he talks to his friends on his Mobile phone.

He doesn't use a calculator at school, but he sometimes uses a tablet in English lessons. At half past three he goes home. He does his homework on a pen drive. At six o'clock, Sam has dinner. After dinner, he sometimes reads a book. But he often watches TV with his sister, or he plays games on his video games console.
