1 Listen and read. Would you like to go to a garage sale?

The Raccoons say: Hello! We're the Raccoons from New York City, USA. Our names are Kim, Jacob and Grace. Read about our school garage sale. Do you have garage sales?

Kim – Our school has a garage sale every summer. Children bring old toys, clothes and books that they don't want, and we sell them in the playground. It's fun to buy and sell the toys. Later, we give the money to organizations that help people.

Jacob – I love shopping at the garage sale because the toys and books are cheaper than in shops. I think it's a good idea to recycle old toys. Recycling is better than putting things in the bin. I usually buy books, board games and trading cards at the garage sale.

Grace – The garage sale is great fun. I always buy key rings for my collection. Do you know that I've got more than 100 key rings at home? I think that old key rings are cooler than new ones. I always buy homemade snacks at the garage sale, too. They're delicious!
