Last week, there was an earthquake in the city. The ground moved and the houses shook. A TV reporter asked the people: "What were you doing when the earthquake began?" Here are some of the answers:

"We (1) were eating ..... lunch when our plates fell off the table!"

"I (2) ..... in the kitchen. My wife (3) ..... in the garden. Then we heard a loud noise!"

"We (4) ..... on the sofa and we (5) ..... to a Beethoven CD. Suddenly the music stopped. The house began to rock!"

"I (6) ..... my cat. Suddenly it ran under the table. It was very frightened!"

"I (7) ..... a shower when the house began to shake. I ran into the street with no clothes on!"

"I (8) ..... the roof. Suddenly, the house moved under me and I fell off the roof. Now I'm in hospital."

"I (9) ..... in the bedroom. I (10) ..... about winning the lottery. Then I woke up very quickly!"

"I (11) ..... a film about an earthquake. Then the real earthquake began!"
