It **(is/was)**..... just another day at the restaurant, time to make the noodles... I **(go/went)**..... out to the back, where my vegetables had just been delivered. There **(are/were)**..... cabbages, turnips, radishes. Only, there **(are/were)**..... no radishes. Just a very hungry, baby panda. There **(is/was)**..... no note, of course, you could've eaten it. I **(wait/waited)**..... for someone to come looking for you. but no one **(do/did)**..... I **(brought/bring)**..... you inside. I **(feed/fed)**..... You. **(gave/give)**..... you a bath... and **(feed/fed)**..... you again... and again... I **(try/tried)**..... to put some pants on you. And then I **(make/made)**..... a decision that would change my life forever... To make my soup without radishes... and raise you as my own son. Xiao Po... my little panda. And from that moment on, both my soup and my life have been that much sweeter.
