

## ***My home***

***Read the text. Make a list of all the adjectives.***

My family and I live on the tenth floor in a block of flats. The building is next to a supermarket and across from a bank. There are two small bedrooms in our home and a beautiful living room. I really like our living room because you can see all the city from our window. We've got a comfortable sofa and two new armchairs where we can watch TV together. We've got a wide coffee table in front of the sofa and a soft rug on the floor. Our kitchen is clean and modern. Our home is a bit noisy, and we haven't got a garden. The rent is quite expensive but we don't need a car because we can walk everywhere.

Write the adjectives. Do you know their opposite?
