Universal Children's Day.

Universal Children's Day is a day for children. It is celebrated on the 20th November each year. This day was set aside by the United Nations to honour children. This day is observed because all children are special and important. It is a day to remember that all children have rights.

Do you know that it is your right to play?

Many children in the world do not have this right because of war, disease or poverty.

Every child has the right to:

- a name
- a nationality
- love
- protection
- a home
- education
- play
- nutrition

Instructions:

1. Draw or get a picture of yourself and stick it after the notes in your copybooks.
