MY GRANDMA

There are five people in my family. They are my father and mother, my sister, my grandma and me.

Grandma is old, about eighty years of age. She is not very tall, about one hundred and fifty five centimeters . She is slim. She does not like to eat a lot. Her hair is white and her oval face is wrinkled, but she has eyes that always twinkle when they look at you. When I am near her, I can smell the scent of jasmine. But the scent is not strong.

Grandma is interesting person. She is nice to me and my sister. She never yells at us. She moves slowly because she has to be careful when walking. She does not talk a lot. She is a quiet person. However, in the evenings before we go to bed, she always tells us interesting stories.
