

POLIEDROS

1. Escribe el nombre de los siguientes poliedros regulares.

2. Escribe el nombre de estos prismas y pirámides.

3. Completa la tabla utilizando el teorema de Euler:

Poliedros	Número de caras	Número de vértices	Número de aristas
Tetraedro	4	4	
Icosaedro			
Prisma pentagonal			
Pirámide hexagonal			
Cubo			

4. ¿Cuál de los siguientes desarrollos corresponde a un prisma?
