Read the email from a university student to his parents. Choose the correct option

To: Mum

From: Jack

Hi Mum!

I took your advice and talked to the doctor here at the university about my earache yesterday. He gave me some medicine. I need to take it three times a day for six days. He said I shouldn't go swimming at the moment. I'm not happy about that. I really wanted to go for a long ride on my bike yesterday but I couldn't!

Something funny happened last Friday. Some friends and I were studying in the library when someone started shouting outside the window. A woman saw a snake! Anyway, they came and took it to the zoo. We heard later it wasn't a dangerous one! Everything else is fine. I have to stop now because I haven't got much time. I've got to find out about Eric Shepard, you know the famous explorer, before tomorrow morning.

See you at the weekend. By the way, I would like to invite my friend Jamie to go with me. Is that OK?

Love you!

Jack
