

Name \_\_\_\_\_

## Picture Graphs

Skill 20

### Learn the Math

A picture graph uses pictures to show information.

This picture graph shows the favorite sports of Ian's friends.

### Vocabulary

picture graph

Which sport did the most students choose?

**Step 1** Look at the number of pictures in each row.  
How many students chose each sport?

baseball = 4 students

basketball =      students

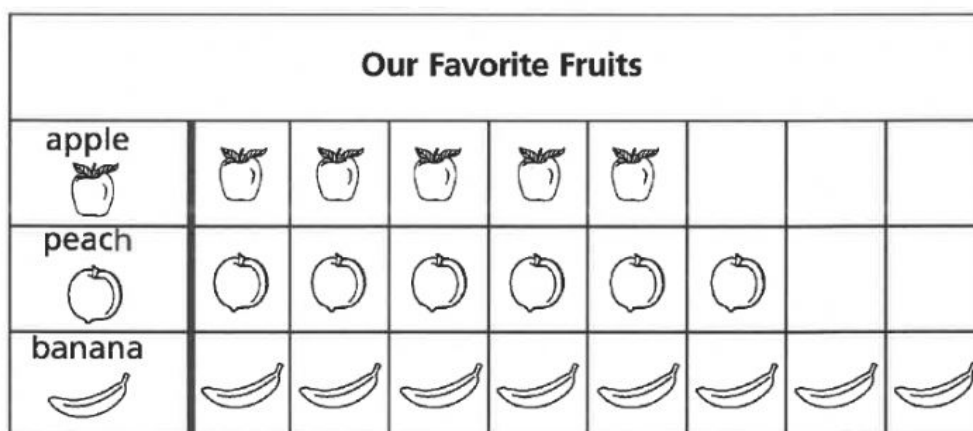

soccer =      students

**Step 2** Compare the numbers to see which is the greatest.

6      4      3

So, \_\_\_\_\_ is the sport that the most students chose.

Use the picture graph to answer the questions.

- How many students chose apple? \_\_\_\_\_ students
- How many students chose peach? \_\_\_\_\_ students
- How many students chose banana? \_\_\_\_\_ students
- Which fruit did the fewest students choose? \_\_\_\_\_
- Which fruit did the most students choose? \_\_\_\_\_

Check

- How many students chose apples or bananas as their favorite fruit? How did you find your answer?
