

Laika

Match the paragraph with the correct picture. Then write the correct order of the story.

..... **A)** However, in 1993, some Russian space program scientists revealed that Laika died soon after leaving the planet's atmosphere because of stress and overheating.
..... **B)** During the era of the space race between the USA and USSR, the Soviet Union launched the first living thing into space. It was a dog named Laika. The objective of the trip was to prove that space travel for humans was safe, but technology hadn't advanced enough to bring ships back yet.
..... **C)** Laika was supposed to orbit the planet some days and the first reports from Russian space programs said so.
..... **D)** Many people in the world were in great sorrow because of her death. Since then, her story has spread around the world and has inspired many tales, songs, and poems. Some of them say that Laika became a star in the sky.
..... **E)** Laika was a street dog that became an astronaut because of her size and calmness. After some training, she was ready to go into space. Her ship called Sputnik 2, was launched on November 3, 1957.
