

CAROLINE Hello, James. Did you have a good weekend?

JAMES Hi, Caroline. Yes, I did, thanks. I didn't go out, I stayed at home all weekend and watched TV. What about you? What did you do?

C Paul and I went to Liverpool.

J Oh, great! Did you have a good time?

C Yes, we did. It's a very interesting city with some beautiful buildings.

J What did you do there?

C Well, um, on Saturday we walked around the city and I took a lot of photos. And in the evening we went out for dinner at a very nice Chinese restaurant.

J Did you stay in a hotel?

C No, we didn't. Paul's sister lives in Liverpool, so we stayed with her.

J And what did you do on Sunday?

C Well, er, in the morning we visited the Beatles museum. Then in the afternoon we went to the Cavern Club, where the Beatles first played. That was amazing!

J Wow! Did you go to Liverpool by train?

C Yes, we did. It's only three hours from London.

J Really?

C Yes, why don't you go sometime?

J Yes, maybe. It's, um, my wife's birthday next weekend and we don't have any plans.

C Hey, look at the time! We're late for work!
