

It's second nature to walk home  
Before the sun goes down  
And put your keys between your knuckles

Doing anything to shut them out  
We smile, a way to ease the tension  
So it don't go south

No, the kids ain't alright  
Oh, and they do what they see  
Because it's all on TV  
Oh, the kids ain't alright

Boys will be... boys will be...  
Boys will be... boys will be boys  
But girls will be women  
Boys will be, boys will be  
Boys will be, boys will be boys  
But girls will be women

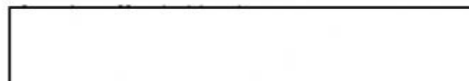

Around to save the day  
And that was sarcasm  
In case you needed it mansplained  
I should've stuck to ballet

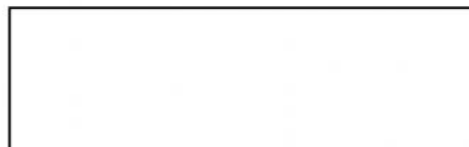

Oh, and they do what they see  
Because it's all on TV  
Oh, the kids ain't alright

Boys will be, boys will be  
Boys will be, boys will be boys  
But girls will be women

Boys will be, boys will be

No, the kids ain't alright  
Oh, and they do what they see  
Because it's all on TV  
Oh, the kids ain't alright  
(Chorus)

<p>When will we stop saying things Because they're all listening? No, the kids ain't alright</p>	<p>If you're offended by this song You're clearly doing something wrong</p>	<p>Boys will be, boys will be Boys will be, boys will be boys But girls will be women</p>
<p>Boys will be, boys will be boys But girls will be women When will we stop saying things Because they're all listening?</p>	<p>When there's boys around Isn't it funny how we laugh it off to hide our fear When there's nothing funny here?</p>	<p>If you're offended by this song Then you're probably saying</p>
<p>Sick intuition that they taught us So we won't freak out We hide our figures</p>	<p>But there's nothing funny now When will we stop saying things Because they're all listening?</p>	<p>I'm sure if there's something That I can't find the words to say I know that there will be a man</p>
