Part 4
Reading

Read the passage and decide whether the following statements are True (T) or False (F).

Peter works as a taxi driver in London. He works six days a week. As London is a very busy city, sometimes he works overtime on Saturdays, which can help him earn extra money. Driving a taxi is difficult and most of the time very tiring. Traffic in the city is often slow during rush hours and because of accidents and road repairs. When it rains or snows, the roads are very difficult to drive on. Most of his passengers are friendly and tip him generously. Peter likes his job, but lately he has been suffering with bad backache. Many of his passengers are tourists, and they like to talk a lot. Luckily, Peter enjoys talking about London. It is his chance to show off his knowledge about the city.

Circle T (True) or F (False).
