

## MODULE 10 : READING TIME

Fill in the blanks based on Student's Book page no 110.

# WHAT ARE GERMS?

They 1)\_\_\_\_\_ in you, on you and around you, but you 2)\_\_\_\_\_ see them. What are they? They're 3)\_\_\_\_\_. Germs are 4)\_\_\_\_\_ living things. You can see them only through a 5)\_\_\_\_\_. Some germs can make you 6)\_\_\_\_\_, so doctors work hard to 7)\_\_\_\_\_ more about them.

Germs like to live in 8)\_\_\_\_\_, 9)\_\_\_\_\_ and dark places. They get inside your 10)\_\_\_\_\_ through your eyes, 11)\_\_\_\_\_ and nose, and when you 12)\_\_\_\_\_ yourself.

There is something we can do to 12)\_\_\_\_\_ germs. Don't 13)\_\_\_\_\_ your eyes, mouth or nose with your 14)\_\_\_\_\_. Germs hate 15)\_\_\_\_\_ and 16)\_\_\_\_\_, so you should always 17)\_\_\_\_\_ your hands 18)\_\_\_\_\_ you eat.
