# Happier by Marshmello

✷ Listen to the song and fill in the blanks.

Lately, I've been, I've been thinking

I _____ you to be happier, I want _____ to be happier

When the morning comes

When we _____ what we've become

In the _____ light of day we're a flame _____ the wind

Not the fire that we've begun

Every argument, every word we can't _____ back

'Cause with all that _____ happened

I think that _____ both know the way that this _____ ends

**[Chorus]**

Then _____ for a minute

I want to change _____ mind

'Cause this just don't _____ right to me

I wanna raise _____ spirits

I want to see you _____

Know that means I'll have to leave

**[Post Courus]**

Know that means I'll _____ to leave

Lately, I've been, I've been thinking

I want you to be _____, I want you to be happier

When the evening falls

And I'm left there with my thoughts

And the image of you being with someone else

Well, it's eating me _____ inside

But we ran our course, we pretended that we're _____

Now if we jump together at least we can _____

Far away from the wreck we made

**[Chorus]**

**[Post Courus]**

So I'll go. I'll go. I will go go go.
