responsible	disadvantages	On the other hand	For instance
advantages	To sum up	On the one hand	Moreover

Having a canary as a pet can be an awesome experience for adults and children! It has a lot of _____, but there are also some disadvantages we should all consider before choosing a canary as a pet.

_____, canaries can create a wonderful atmosphere with their singing! Their jumping from one place to the other and their singing can really brighten up one's day!

_____, they are easy to take care of! This is because their cage is not very big and it doesn't take a lot of time to clean it up!

_____, having a canary means that you will probably have to be prepared to wake up early in the morning, especially if their cage is near your bedroom! They actually start singing as soon as the first sun ray appears! Also, canaries are the kind of pets that you can touch and play with! _____, you can't get near them because they get really scared!

_____, having a canary as a pet has both advantages and _____. But the truth is that having a pet like this will make you more _____.
