Letters are the building blocks for words. Words are the building blocks for sentences. We use sentences to communicate what we think and feel. Each letter of the alphabet has at least one sound. Some letters have more than one sound. There are 26 letters in the English alphabet. Many of the English letters came from alphabets made many years ago in foreign countries. In fact, the word 'alphabet' comes from two words, alpha and beta, which are the first two letters in the Greek alphabet!

- A. Disneyland is a theme park in Anaheim, California. Although there are a few other Disneyland theme parks, this Disneyland is the only theme park to be completely designed and constructed under the supervision of Walt Disney. Disney had long wanted to build a place where adults and children could go to have fun, and finally he did it.
- B. Universal Orlando Resort is a theme park complex based in Orlando, Florida. Recently, one of the main attractions has been "The Wizarding World of Harry Potter". The park has well-known locations from the books and movies, as well as shops and restaurants that sell "Harry Potter" themed merchandise and food.
- C. Busch Gardens is an animal theme park based in Tampa, Florida. The park is themed around Africa and combines rollercoasters with wildlife. The park features some of the tallest rollercoasters in the U.S., as well as over 12,000 animals. There are also "Bird Gardens" with over 500 tropical birds and the "Edge of Africa" area, with crocodiles, lions, hyenas, hippos and giraffes.
- D. Six Flags is an amusement park corporation based in the United States. It has 25 locations throughout North America. The first Six Flags was founded in Texas in 1961 and was called "Six Flags Over Texas". The name originally refers to the six nations that have governed Texas: Spain, France, Mexico, the Republic of Texas, the United States of America and the Confederate States of America.
