3	Salutation	Dear Ashton,
4	Introduction	How are you? I hope you are doing well. I had an amazing experience visiting the King's castle today. The castle was huge and beautiful. I never knew it had many areas and rooms.
5	Content	The first time I stepped foot into the castle, I was amazed by the courtyard. It was well-maintained with big colourful flowers and beautiful plants. The trees were green and birds were chirping. I could spend hours painting there. My favourite area in the castle was the Art Gallery. As you know, the King is an avid art collector. He collects paintings from all over the world. Most of the paintings were painted by famous artists. I'm sure they are worth a lot.
6	Closing	That's all from me. Do write to me about your interesting experience over the weekend.
7	Complimentary closure	Yours sincerely,
