

Twoja koleżanka z Anglii zaprosiła cię do swojego domu na Święta Wielkanocne. Napisz do niej list, w którym:

- wyjaśnisz, dlaczego nie możesz przyjąć zaproszenia
- odpiszesz, jak ty i twoja rodzina spędziecie święta
- zaproponujesz jej spędzenie świąt w twoim domu
- poinformujesz jak zamierzasz uatrakcyjnić jej pobyt .

Put the words in the correct place:

**bad      around      stay      have      Easter      worried      be      hope  
sure      sorry**

Hi Susan,

Thanks for your email. I ..... you're doing fine. Thank you for inviting me but I have some ..... news. I really can't come to you this ..... I'm ..... Me and my family are going on a trip ..... our country. We are celebrating Easter in a few cities including Zakopane, Ustka, Warsaw. I'm really happy because of it but also ..... that I can't be with you. But my mother has a perfect idea! Your family can come to us, we would spend a few days on a trip - we have a place for you to ..... in so don't worry. Talk to your parents, it would ..... amazing to be there with you. I am ..... we will ..... a good time shopping and meeting people all around Poland! I hope your parents will agree.

Kisses,

XYZ
