

Name: _____

Class: _____

Instruction: Below is an extract from 'The Jungle Book'. Look at the picture and guess what happens. Listen and read then fill in the blank box with the correct answers.

Mowgli lives in the jungle with Mother Wolf and Father Wolf. Baloo, the bear and Bagheera, the _____ are his _____. Mowgli is very happy in the _____.

One day Mowgli and his two friends are talking. 'I made some friends yesterday, the Monkey-People,' says Mowgli. 'I look like them, but I haven't got a tail. They say I have to be their _____.'

Baloo is shouting 'What? The Monkey-People don't care about anyone!' Bagheera is very angry too. 'Don't talk to them again!' he _____. 'OK,' says Mowgli.

At night, when they are sleeping, the monkeys come for their leader. The monkeys take Mowgli and jump from tree to tree. 'Help! The monkeys are _____! Ahh!' says Mowgli.

Suddenly, Mowgli sees Chil, the bird. 'Chil! Tell Baloo and Bagheera I need help!'

Chil, the bird, finds Baloo and Bagheera. The bear and the panther are very _____. 'We're going to find Mowgli!' says Baloo, 'But we need help.' 'Let's find Kaa, the _____. He can help us.' says Bagheera.
