Encik Alif was so touched and proud of his son.

Amin came from a poor but happy family.

1

Encik Alif's hobby was fishing.

Amin agreed but he did not have enough money.

Encik Alif's birthday was just three months away and Amin wanted to get his father a present.

On his father's birthday, Amin presented him a brand new fishing rod.

Amin started to save a portion of his allowance every day.

Amin's mother suggested that he get his father a new fishing rod.

His father was a gardener, and his mother is a school canteen operator.

He also offered to do chores for his neighbours for a small fee.
