

# Listening Activity. Animals.

1. Listen the audio and complete the gaps with the missing words.

I'm a real \_\_\_\_\_ lover. I'm fascinated by the whole animal kingdom. I loved animals when I was a kid. I used to read every book I could find on animals. I knew all the different animal \_\_\_\_\_. The most exciting thing for me was going to the zoo. I would spend hours just \_\_\_\_\_ the animals walk around, sit, or even sleep. When I was older, I went on a safari to Tanzania. I saw real \_\_\_\_\_ animals in the wild. Everyone should do this once in their lives. Looking at animals in their natural \_\_\_\_\_ is a real honour. Now I'm worried about the future of many animals. Some of my favourite animals are in \_\_\_\_\_ of dying out. We really need to change our lifestyle so our \_\_\_\_\_ can have the chance of seeing animals in the \_\_\_\_\_.
