When the Rain Begins to Fall

~ Jermaine Jackson, Pia Zadora

Like the sand can seep right

(1) Through / though your fingers

so can all your days

(2) As those days go by / bye

(3) you'll have me there to help you fine / find

The way I feel with you

(4) I know / no it's got to last forever

And when the rain begins to fall

(5) You'll write / ride my rainbow in the sky

(6) And I will catch / cats you if you fall

(7) You'll never have to ask my / me why

And when the rain begins to fall

(8) I'll be the sunshine in your life / line

(9) You know that we can have it old / all

And everything will be alright

Time goes by so fast

(10) You've got to have a cream / dream

To just hold on

(11) All my dreams of long / love began

With the reality of

You and I believe

(12) That all / old our dreams will last forever

And when the rain begins to fall

(5) You'll write / ride my rainbow in the sky

(6) And I will catch / cats you if you fall

(7) You'll never have to ask my / me why

And when the rain begins to fall

(8) I'll be the sunshine in your life / line

(9) You know that we can have it old / all

And everything will be alright

(13) Though / Thought the sun may hide

We still can see

(14) The life / light that shines for you and me

(15) We'll be together ole / all that we can be

And when the rain begins to fall… (Repeat Chorus) x 2
