

# AVATARIUM – THE STARLESS SLEEP

## Complete the lyrics (don't cheat):

When you \_\_\_\_\_, the stars fall down  
As snowflakes to the \_\_\_\_\_  
It is \_\_\_\_\_ and the clouds gather 'round  
To \_\_\_\_\_ you when you come

Afraid of the claws in the deep?  
Is the darkness alive in your \_\_\_\_\_ ?  
But they are there, the lion and the \_\_\_\_\_  
The guardians of your sleep

So what \_\_\_\_\_ when you close your eyes?  
Will the breeze inside your head  
Become a \_\_\_\_\_ ?  
Will the moon drift in the evening \_\_\_\_\_ ?  
Will the mole-man find the \_\_\_\_\_  
That you \_\_\_\_\_ ?

Why don't you go to the starless \_\_\_\_\_ ?  
Don't you feel welcomed by the \_\_\_\_\_ ?  
Don't wanna leave the warmth  
Around your \_\_\_\_\_ ?  
Don't wanna leave the \_\_\_\_\_ ?

Will the dark knight find the \_\_\_\_\_ door?  
Do the nightmares ride like \_\_\_\_\_ in your mind?  
Are you \_\_\_\_\_ you won't get out in time?  
Captive forever there

**Match the standard, long forms with the informal, short forms:**

wanna

want to

gimme

let me

gonna

kind of

kinda

going to

gotta

give me

lemme

got to

lotta

what are you

sorta

hell of a

dunno

lot of

whatcha

sort of

helluva

don't know

**Match the synonyms (or definitions):**

nightmare

capture

claws

bad dream

cry

nails

gather

gentle wind

catch

weep

close

hurricane

breeze

float

captive

come together

storm
