

THOUSAND MILES

(Vanessa Carlton)

Making my way _____

Walking fast, _____ pass and I'm
homebound

Staring _____ ahead

Just making my way

Making a way through the _____

And I need you

And I miss you

And now I _____

If I _____ fall into the sky

Do you think time would pass me by?

**Cause you know I'd walk a thousand
miles**

If I could just _____ you tonight

It's _____ times like these

When I think of you

And wonder _____ you ever think of me

Cause everything's so wrong and I don't

Living in your _____ memory

And I need you

And I miss you

And now I _____

If I _____ fall into the sky

Do you think time would pass me by?

**Cause you know I'd walk a thousand
miles**

If I could just _____ you tonight

And I, I don't wanna let you know

I, I _____ in your memory

I, I don't wanna let this go

I, I don't

Making my way _____

Walking fast, _____ pass and I'm
homebound

Staring _____ ahead, just making my
way

Making a way through the _____

And I still need you

And I still miss you

And now I _____

If I _____ fall into the sky

Do you think time would pass me by?

**Cause you know I'd walk a thousand
miles**

If I could just see you, oh, oh

If I _____ fall into the sky

Do you think time would pass me by?

**Cause you know I'd walk a thousand
miles**

If I could just _____ you

If I could just hold you tonight
