2|| Read the text and complete the gaps with one word only.

Pisa, in the north of Italy is famous (1).....its leaning tower. The fame of Pisa doesn't mean there is a favourable impact(2) the quality of life for local residents because the city makes a lot of money (3)..... its tourists. Visitors come in their thousands and all of them want to reach the top of the tower. Of course, having lots of people climb up the tower can result (4)..... damage to the steps (5)..... numbers are limited. But, several years ago, the tower was in danger of collapsing as it continued to lean further one way. So, it (6)..... to be closed while engineers came up (7)..... a solution. Luckily, people still wanted to see the tower (8)..... though it was closed, so the economic benefits to the town of mass tourism didn't stop. (9)..... people in Pisa make a living from the tourists who bring in a lot of money to the town. Lots of people are blown (10).....by how beautiful the tower and the buildings in the square look so it is worth putting it on your list of places to visit.

3|| Use the word given in capitals at the end of some lines to form a word that fits in the gap in the same line.
