

Conditionals

with UNLESS

There will be no improvement in my tennis unless I don't get some training.

I will not remain silent about the letter unless you give me my money back.

People hardly ever use candlelight today unless there isn't anything wrong with the power supply.

There isn't much to do in the city unless you haven't got friends.

You must stop working so hard unless you don't want to end up in hospital sooner or later.

If there were no televisions, we wouldn't know much about other countries unless we visited them.

Correct any mistakes with *unless* that exam candidates have made in these sentences rewriting them. Write *right* at the correct sentences.
