

Revision Chapter 3 Add Two-Digit Numbers :

Take apart an addend to solve.

6. $18 + 54$

$18 + \underline{\quad} + \underline{\quad}$

$\underline{\quad} + \underline{\quad} = \underline{\quad}$

So, $18 + 54 = \underline{\quad}$.

Add.

4 5 9

24

+ 9

1. Zayed's scout team collected 18 bins of plastic bottles to recycle. Mahmoud's scout team collected 9 bins. How many bins did the boy scouts collect in all?

_____ bins
