

Your friend Alison has sent you an email! Read it and write her back to talk about how you have been feeling and what you have done this week (e.g. you can say about a fun experience, or even a problem you've had etc)

Hi friend,

How are you? I have been feeling a little bit down lately because I can't hang out with my friends but guess what... something cool happened this week! My classmates and I have decided to throw an online movie night every Saturday! We have already watched the first movie! It is called "Home Alone". Have you ever watched it? It was so fun! Everyone was eating popcorn and having a good time!

What about you? How have you been feeling? What have you done this week?

Stay safe,

Alison

Hi Alison,
