### Pray Before Doing Your Work!

I. Pay attention to the following expressions, and give a mark - AA (Asking Attention), AO (Asking Opinion), GO (Giving Opinion), CU (Checking Understanding), SA (Showing Appreciation) on the space given!

- |   |  |
|---|--|
| ... Excuse me, have you got a moment?                         | ... Do you take/get my point?                                |
| ... Could I know your reaction to ...?                        | ... What are your feelings about ...?                        |
| ... Listen!   | ... What about ...?  |
| ... Don't you think ...?                                      | ... How do you see...?                                       |
| ... Sorry to trouble/bother you, but...                       | ... In my view/opinion ...                                   |
| ... Know what I mean?   | ... Have you got any comments on ...?                        |
| ... What is your reaction to ...?                             | ... Sorry to bother you, but could I just ask you something? |
| ... From my point of view, ...                                | ... What I reckon is, ...                                    |
| ... Right?  | ... Can you comment ...?                                     |
| ... Do you have any opinion on ...?                           | ... I consider ...   |
| ... It seems to me ...  | ... What do you feel about ...?                              |
| ... I believe...  | ... sorry to butt in, but ...                                |
| ... Personally, I consider ...                                | ... Excuse me  |
| ... Excuse me butting in, but ...                             | ... What's your opinion of ...?                              |
| ... That's a beautiful shoes I ever known.                    | ... I'd be grateful to have your opinion on ...              |
| ... Sorry but...  | ... That's clear, isn't it?                                  |
| ... I wonder if we could begin?                               | ... If you ask me, ...                                       |
| ... I'm convinced that ...                                    | ... I should say ...   |
| ... May I have your attention?                                | ... According to me ...                                      |
| ... Got/get it?   | ... I feel ...   |
| ... Are you with me?  | ... You have a nice writing.                                 |
| ... I think ...   | ... Excuse me, can you spare a minute or two?                |
| ... Does that seem to make sense?                             | ... My own view of the problem is ...                        |
| ... Do you understand?  | ... It's my opinion ...                                      |
| ... Personally, I believe ...                                 | ... How do you feel about ...?                               |
| ... Do you see?   | ... If I may say so ...                                      |
| ... I hope that's clear?                                      | ... That's such a beautiful scarf.                           |
| ... Wow, great picture!                                       | ... Do you have any particular views on ...?                 |
| ... If there's anything you haven't understood, please say so | ... Do you know what I'm getting at?                         |
| ... What would you say to ...?                                | ... As I understand it ...                                   |
| ... Excuse me, are you in a hurry?                            | ... As I see it, ...   |
| ... What do you think of/about ...?                           | ... Do you see/know what I mean?                             |
| ... The way I see it, ...                                     | ... As for my point of view ...                              |
| ... You gave a good score. Well done.                         | ... Great job. You did it well.                              |
| ... Look  | ... How would you react to ...?                              |
| ... Good job guys!  | ... To my mind, ...  |
