Read the following passage and fill in the blank with NO MORE THAN TWO WORDS.

Teenagers today are undergoing lots of changes. They are between the ages of 13 to 19. Many of them are undergoing physical and emotional changes. These are the stages in the teenagers that are unavoidable.

The teenage life is full of happiness, sadness, enjoyment and it can be interesting too. This is because in the teenage life that a teenager is subjected to physical growth, hormonal changes and even dilemmas. They may be in a stage of conflict like undergoing puppy love. This is only a normal part of life.

Making friends is part and parcel of a teenager's life. The teenager should enjoy life by making friends with peers and participate in healthy activities such as camping, picnic, kayaking or swimming. Through friends, a teenager learns to joke, laugh and play to release stress and tension. By making friends, the teenager learns to sweeten his or her joys and even eases the bitterness of life's downtime.

Many teenagers are very conscious of their physical outlook. It is at this part of their life that beauty strikes as the main self-image. They love to follow up with the latest trends for dressing, hairstyle and even look good with their physical image. Some girls and boys go on a crash diet to slim down in order to look attractive. Others may suffer from acne and pimples that may scar their external beauty.

6. A teenager undergoes _____ and _____.
7. Teenager's life is full of ups and downs because they have to put up with _____ and dilemmas.
8. The kind of conflict that they can face is _____.
9. Teenagers can get involved in _____ activities such as camping or swimming.
10. The three things that teenagers like to keep up with are _____, hairstyle and _____.
