

IF I CAN'T HAVE YOU - SHAWN MENDES

Listen to the song

1. Look at the words in bold. If they are right, write "OK". If they're wrong, write the correct word.

CHORUS

I can't **right** one song that's not about you
Can't **think** without thinking about you
Is it too late to **tell** you that
Everything **is** nothing if I can't have you?

I'm in Toronto and I got this **new**
But I might as well be in a hotel **pool** (yeah)
It doesn't matter cause I'm so **consumed**
Spending all my **time** reading texts from you
Oh, I'm good at **keeping** my distance
I know that you're the feeling I'm **kissing**
You know that I **love** to admit it
But everything means **something** if I can't have you

CHORUS (X2)

2. Some lines have an extra word. Write it next to each line. If the line is correct, write "OK".

I'm now so sorry that my timing's off
But I just can't move on if we're still gonna talk
Is it too wrong for me to not want half
I want all of you
All the strings attached
Oh, I'm good at keeping up my distance
I know that you're the feeling that I'm missing
You know that I hate not to admit it
But everything means nothing if I can't have you

CHORUS (X2)

I'm trying to move on, forget about you, but I hold on
(Everything means nothing
Everything means nothing my babe)
I'm trying to move on forward, forget you, but I hold on
Everything still means nothing if I can't have you
.....

CHORUS (X2)
