

Illustration for a German preposition exercise. It features several brown cardboard boxes and red ladybugs in various positions. Yellow rectangular boxes are placed around the scene for labeling. In the center, green boxes contain the following prepositions:

- zwischen
- auf
- an
- neben
- hinter
- über
- unter
- in
- vor

The ladybugs are positioned to demonstrate these prepositions: one on top of a box (auf), one next to a box (neben), one behind a box (hinter), one in front of a box (vor), one inside a box (in), one between two boxes (zwischen), one under a box (unter), and one on a box with another nearby (an).
