# BIG IN JAPAN ~

## by Alphaville

*Choose the right option:*

Winter's **cityside / cityslide**
Crystal bits of snowflakes
All around my **head / hand** and in the wind
I had no illusions
That I'd ever find a **glimpse / prince**
Of summer's **heatwaves / microwaves** in your eyes

You did what you did to me
Now it's history, I **see / seen**
Here's my comeback on the **roam / road** again
Things will happen while they can
I will wait here for my **pan / man** tonight
It's easy when you're big in Japan
Oh, when you're big in Japan, tonight
Big in Japan, be **tight / light**
Big in Japan, ooh the **eastern / Easter** sea's so blue
Big in Japan, alright
**Pay / Lay**, then I'll sleep by your side
Things are easy when **you're / your** big in Japan

Oh, when you're big in Japan

REPEAT

Neon on my naked skin, **painting / passing** silhouettes

Of **strange / stained** illuminated mannequins

Shall I stay **hear / here** at the zoo

Or should I go and change my point of view

For other **angry / ugly** scenes

REPEAT
