

MY FAVOURITE TOY

Preberi besedilo, ki ga je napisal Billy o svoji najljubši igrački.

My favourite toy is a car.
It is new - it is only two months old.
It is red, green and orange.
The wheels are red and orange circles.
The lights are green ovals.
It is small. I can put it in my pocket.
I like this toy car because it is so colourful.

Zdaj pa poglej spodnje trditve in se odloči, ali so pravilne (T) ali nepravilne (N) in T ali N zapiši na proctor na koncu.

Billy's favourite toy is old. _____
The wheels on the car are red and orange squares. _____
The lights are green. _____
The car is small. _____
Billy likes his car because it is ugly. _____
