

Question 1

Read the story below and answer the questions that follow.

In SK Tengku Fitrie, there was a boy named Syafiq who was a bully. He caused so much trouble in his class that his teacher Cikgu Mia Antasha, found it hard to teach class. He would push other kids. Not only in the classroom did he bullied his friend, but on the playgrounds well. He would take their pocket money and spend them. He bought ice creams and sweets to satisfy himself. Syafiq had no friends.

Until one day a new boy named Zaman came to SK Tengku Fitrie. Syafiq started right off pushing Zaman around. But, the more he tried to make Zaman mad, the more Zaman would talk to him and tell him that he just wanted to be his friend. He said "Why do you always try to make kids not like you? We could be good friends.

"Syafiq started thinking. He said "Maybe we could be friends. OK, let's try it. We could eat lunch together." So that's what they did. After school they walked home together. They found out that they lived close to each other.

So from that day on Syafiq and Zaman were the best of friends. Syafiq also made other friends because of his friendship with Zaman. He found that being a friend made him a lot happier than being a bully.

Tick (/) the correct answer.
