**1** While you listen, drag the phrases below to complete the song on the left.

When my hands don't play the strings the same way (mmm...)

Place your head on my beating heart

When my hair's all but gone

Kiss me under the light of a thousand stars

I will be loving you 'til we're 70

Take me into your loving arms

When your legs don't work like they used to before

Maybe just the touch of a hand

Will your mouth still remember the taste of my love?

Will your eyes still smile from your cheeks?

**2** Ten parts of the body are mentioned in the song. Number them in the order in which you hear them. NOTE: There are some *extra* nouns.
