## SERENA WILLIAMS: AN AMAZING TENNIS PLAYER

Serena Williams is a top American tennis player. She was born in Saginaw, Michigan in 1981. She is the youngest of two sisters. Her sister Venus is a top tennis player, too.

Serena plays singles, women's doubles and mixed doubles. In women's doubles she plays with her sister Venus. She's got more than 36 tennis titles and four Olympic gold medals, too. She was world number one for the first time in 2002, and for the seventh time in 2017.

She has an interesting life outside of tennis. She likes playing basketball. She loves clothes and she is a fashion designer. She was on *The Simpsons* and some other television shows. She danced with Beyoncé in a video clip. For me she's the best female tennis player in the world!
