STORY 1 : Make a long story short

Vera: How did you get to school, Yong Kit?

Yong Kit: I woke up in the morning.

Vera: Ok.

Yong Kit: I brushed my teeth, washed my face, peed and pooped and then gobbled my breakfast, wore my uniform and ...

Vera: Yong Kit, cut the long story short! Why tell me the unnecessary details? How did you get to school?

Yong Kit: To make the long story short, I took a train.

Long story short means leaving out the unnecessary details and only telling what's important.

STORY 2 : Miss the boat

Jaratt is very enthusiastic about taking part in art competitions. However, he is a very forgetful boy. A prestigious art competition was taking place in the community centre. Jaratt has to register early in order to participate. However, he has been procrastinating.

"Jaratt, have you registered?" his Mom asked.

"I am going to do it now!" Jaratt called out.

When he opened the form, he felt displayed. He had to register by May 12. However, today is already May 13th! He had missed the boat!

Miss the boat originated from 1900s. In the past, people travelled by boats across the river. Most boats will leave by 6pm, before the sun sets. The next boat will only be available in the morning. Therefore, if one misses the boat, he or she has to wait till morning! Miss the boat means to lose an opportunity or chance.

STORY 3 : No pain, no gain!

One sunny Sunday, Yu Xiang was exercising in the park. Suddenly, dark clouds loomed in the sky. Yu Xiang looked up to find his favourite super hero - Thor.

Yu Xiang: Thor! What are you doing at Yishun Park?

Thor: I am here to exercise!

Yu Xiang admired Thor's big chunky muscles. He wanted to have big strong muscles like Thor too.

Yu Xiang: Can I exercise with you?

Thor nodded and handed Yu Xiang a ginormous dumbbell. It was at least 10 kg! Yu Xiang tried to lift it. It was so hard. Yu Xiang was sweating bricks.

Yu Xiang: It's too tough, Thor. Can you give me something lighter?

Thor: No pain. No gain! You want muscles like me, you have to work hard!

Yu Xiang lifted the 10 kg dumbbell, 10, 000 000 times and became so muscular that he joined the Avengers. He is now called Captain Yu Xiang.
