How to make a Hedgehog

1. Download or draw the hedgehog on a cardstock
2. Use the scissors to cut out the hedgehog pattern
3. Add glue on the back of your hedgehog and glue it on a sheet of light blue cardstock.
4. Take a leaf sticker of foam and place it along the back of your hedgehog to create a pointed spine.
5. Continue adding stickers in layers inside the hedgehog body from top to bottom to make a 3D effect.
6. Glue a googly eye sticker
7. Glue a black wool for a nose and use a black marker to draw a cute hedgehog smile on your craft
