### Lyrics:

#### [Intro]

I had a dream that someday  
I would just fly, fly away  
And I always knew I couldn't stay  
So I had a dream that I'd just fly away

#### [Verse 1]

I've been on my own for a minute  
Is it only me all day?  
Searching for the place to begin it  
Is it me? Is it you? Is it real?  
Standing on the line I was given  
People staring at me while I'm here  
No one seems to think that I fit in  
But I don't wanna be like them

#### [Pre-Chorus]

No, 'cause I don't wanna be much like them  
'Cause I know that I, know that I

#### [Chorus]

I had a dream that someday  
I would just fly, fly far away  
And I always knew I couldn't stay  
So I had a dream that I'd just fly away, away, oh  
(Fly away, fly away)  
Woah, woah, I'd fly away

#### [Verse 2]

No one really knew how low I was feeling  
I was scared to reach for it all  
Knowing I was here for a reason  
But I was so scared that if I tried, I'd fall  
So where do I go now that I'm in it?  
I never thought it'd be like this  
Dreaming all my incredible life and I did it  
Thought the grass is greener than then it is

#### Repeat [Chorus]

#### [Bridge]

'Cause I had a weird dream that someday  
I would just fly, fly away  
And I always knew I couldn't stay here  
So I had a dream that I'd just fly away, away, oh

#### [Chorus]

Woah, woah  
(Fly away, fly away  
Fly away, fly away)  
Woah, woah, woah  
(Fly away, fly away  
Fly away)  
I'd fly away
